#### SUMMARY

#### Matviyenko S. THE INFLUENCE OF MASS COMMUNICATION ON THE POLITICAL SPHERE OF TRANSITIONAL SOCIETY

Facilities of mass communication are an important social institute, which can accelerate reforms and define the system of values and norms of new type of society which is in the state of instability. They can come forward in the role of translator of these values and factors of stabilizing of the political system. Facilities of mass communication play an important role and are the important institute of any society, including transitional.
